

Nevada State Veterans Museum Press Release

If you, or someone you know, loaned items that were on display in the former Lowden Veterans Museum located at 3333 S. Cambridge St. in Las Vegas, please contact the Nevada Office of Veterans Services (NOVS). Recognizing items displayed or stored at the former museum may have monetary, historical, or sentimental value, it is our desire to have these items returned to the owners, or placed in the future Nevada State Veterans Museum.

Please include as much detail as possible in your correspondence, and whenever possible include copies of photographs and/or documentation or authentication of ownership. Thank you for your assistance. Donations to support this initiative can be submitted through NOVS to:
